DETAILED ACTION

1. In response to the Request for Reconsideration, claims 1-23 have been examined.

Claim Rejections - 35 USC § 102

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Claims 1-23 are rejected under 35 U.S.C. 102(b) based upon a public use or sale of the invention, as discussed in paragraph 3 of paper number 4.

Response to Applicant's Arguments

4. Applicant's arguments filed April 16, 1999 have been fully considered but they are not persuasive.

As to Applicant's arguments that the cited articles, do not teach or suggest "(i) 'storing the conditions of manufacturer offers, pertaining to multiple product manufacturers, in a database...(iv)' storing the conditions of manufacturer product purchase incentives...with a product incentive server site coupled to the network'"(page 2 paragraph 2), the examiner agrees. However, the basis of the rejection was the public use or sale of the applicant's invention, "Supermarkets Online" (see specification page 8 line 17), more than a year prior to the date of application for patent, as evidence by the cited articles. (See paragraph 3 of paper number 4).

Art Unit: 2765

Both article clearly disclose that the applicant's invention "Supermarkets Online" was available for public use prior to June 12, 1996. In addition applicant's IDS(paper number 5), discloses news letters from Catalina Marketing Corporation, assignee of the instant application, dated February 11 and April 19, 1996, which disclose applicant's invention to the public prior to June 12, 1996.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
